**Organization & Applicant Information**

**1. Specify the existing or planned constituent development (base building) goals of your organization/grassroots initiative(s).**

Provide a description of existing or planned constituent development (base building) activities within your organization.

How is group engagement a part of these activities? How do these goals/plans/activities connect to your organization's change strategy?

**2. Describe your role in the organization/grassroots initiative(s).**

A. What is your existing or planned role within the constituent development (base building) activities of your organization?

B. What key strengths do you bring to this position? What challenges?

C. What supports do you have to achieve your organizational goals? What supports do you need? How do current organizational resources and structures support your work?

**3. Describe your learning goals.**

A. Why do you want to attend this advanced training? What are your expectations? What gifts do you bring to share with other participants? What are your own goals for developing your capacity around facilitation, group process, and planning for constituent development/base building?

B. How can this advanced training help you meet programmatic/initiative/campaign goals in the short-term? In the long-term?

Once completed, ***first save this PDF*** then email it to: [register@movementmatters.net](mailto:register@movementmatters.net)  
*We look forward to working with you!*
